It is ordered, pursuant to Rule 340 (a) of the Commission's General Rules and Regulations under the Securities Act of 1933, as amended, that the effectiveness of the filing of said offering sheet be, and hereby is, suspended until the 3rd day of October 1936, that an opportunity for hearing be given to the said respondent for the purpose of determining the material completeness or accuracy of the said offering sheet in the respects in which it is herein alleged to be incomplete or inaccurate, and whether the said order of suspension shall be revoked or continued; and

IN THE MATTER OF AN OFFERING SHEET OF A ROYALTY INTEREST  
IN THE PHILLIPS-GENERAL "L" COMMUNITY FARM, FILED ON  
AUGUST 28, 1936, BY J. H. LIEBERMAN, INC., RESPONDENT

SUSPENSION ORDER, ORDER FOR HEARING (UNDER RULE 340 (A)) AND  
ORDER DESIGNATING TRIAL EXAMINER

The Securities and Exchange Commission, having reasonable grounds to believe, and therefore alleging, that the offering sheet described in the title hereof and filed by the respondent named therein is incomplete or inaccurate in the following material respects, to wit:

1. In that in Item 13, Division II, the statements that the formations in the Oklahoma City field lie at greater depths, carry larger gas volumes with attendant high pressures, are thicker, somewhat more porous and highly saturated, which difference will undoubtedly assure a greater ultimate recovery of oil per acre than is usual in most fields, are objectionable as tending to imply a comparative estimate of recoverable oil without giving the data with respect to the fields or formations thus compared;

It is ordered, pursuant to Rule 340 (a) of the Commission's General Rules and Regulations under the Securities Act of 1933, as amended, that the effectiveness of the filing of said offering sheet be, and hereby is, suspended until the 3rd day of October 1936, that an opportunity for hearing be given to the said respondent for the purpose of determining the material completeness or accuracy of the said offering sheet in the respects in which it is herein alleged to be incomplete or inaccurate, and whether the said order of suspension shall be revoked or continued; and

It is further ordered, that Charles S. Moore, an officer of the Commission be, and hereby is, designated as trial examiner to preside at such hearing, to continue or adjourn the said hearing from time to time, to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, consider any amendments to said offering sheet as may be filed prior to the conclusion of the hearing, and require the production of any books, papers, correspondence, memoranda, or other records deemed relevant or material to the inquiry, and to perform all other duties in connection therewith authorized by law; and

It is further ordered, that the taking of testimony in this proceeding commence on the 18th day of September 1936 at 2:00 o'clock in the afternoon at the office of the Securities and Exchange Commission, 18th Street and Pennsylvania Avenue, Washington, D. C., and continue thereafter at such times and places as said examiner may designate.

Upon the completion of testimony in this matter the examiner is directed to close the hearing and make his report to the Commission.

By the Commission.

1956-59

Dated and bearing interest from September 15, 1936; due  
September 15, 1959

REDEEMABLE AT THE OPTION OF THE UNITED STATES AT PAR AND  
ACCRUED INTEREST ON AND AFTER SEPTEMBER 15, 1956

Interest payable March 15 and September 15

[1936—Department Circular No. 567]

SEPTEMBER 8, 1936.

*I. Offering of Bonds*

1. The Secretary of the Treasury, pursuant to the authority of the Second Liberty Bond Act, approved September 24, 1917, as amended, invites subscriptions, at par and accrued interest, from the people of the United States for 2¾ percent bonds of the United States, designated Treasury Bonds of 1956-59. The amount of the offering is \$400,000,000, or thereabouts, with the right reserved to the Secretary of the Treasury to increase the offering by an amount sufficient to accept all subscriptions for which Treasury Notes of Series D-1936, maturing September 15, 1936, are tendered in payment and accepted.

*II. Description of Bonds*

1. The bonds will be dated September 15, 1936, and will bear interest from that date at the rate of 2¾ percent per annum, payable semiannually on March 15 and September 15 in each year until the principal amount becomes payable. They will mature September 15, 1959, but may be redeemed at the option of the United States on and after September 15, 1956, in whole or in part, at par and accrued interest, on any interest day or days on 4 months' notice of redemption given in such manner as the Secretary of the Treasury shall

prescribe. In case of partial redemption the bonds to be redeemed will be determined by such method as may be prescribed by the Secretary of the Treasury. From the date of redemption designated in any such notice, interest on the bonds called for redemption shall cease.

2. The bonds shall be exempt, both as to principal and interest, from all taxation now or hereafter imposed by the United States, any State, or any of the possessions of the United States, or by any local taxing authority, except (a) estate or inheritance taxes, or gift taxes, and (b) graduated additional income taxes, commonly known as surtaxes, and excess-profits and war-profits taxes, now or hereafter imposed by the United States, upon the income or profits of individuals, partnerships, associations, or corporations. The interest on an amount of bonds authorized by the Second Liberty Bond Act, approved September 24, 1917, as amended, the principal of which does not exceed in the aggregate \$5,000, owned by any individual, partnership, association, or corporation, shall be exempt from the taxes provided for in clause (b) above.

3. The bonds will be acceptable to secure deposits of public moneys, but will not bear the circulation privilege and will not be entitled to any privilege of conversion.

4. Bearer bonds with interest coupons attached, and bonds registered as to principal and interest, will be issued in denominations of \$50, \$100, \$500, \$1,000, \$5,000, \$10,000, and \$100,000. Provision will be made for the interchange of bonds of different denominations and of coupon and registered bonds, and for the transfer of registered bonds, under rules and regulations prescribed by the Secretary of the Treasury.

5. The bonds will be subject to the general regulations of the Treasury Department, now or hereafter prescribed, governing United States bonds.

### III. Subscription and Allotment

1. Subscriptions will be received at the Federal Reserve banks and branches and at the Treasury Department, Washington. Banking institutions generally may submit subscriptions for account of customers, but only the Federal Reserve banks and the Treasury Department are authorized to act as official agencies. Others than banking institutions will not be permitted to enter subscriptions except for their own account. Cash subscriptions from banks and trust companies for their own account will be received without deposit but will be restricted in each case to an amount not exceeding one-half of the combined capital and surplus of the subscribing bank or trust company. Cash subscriptions from all others must be accompanied, if for \$5,000 or less by payment in full; and, if for more than \$5,000, by payment of 10 percent of the amount of bonds applied for, but not less than \$5,000. The Secretary of the Treasury reserves the right to close the books as to any or all subscriptions or classes of subscriptions at any time without notice.

2. The Secretary of the Treasury reserves the right to reject any subscription, in whole or in part, to allot less than the amount of bonds applied for, to make allotments in full upon applications for smaller amounts and to make reduced allotments upon, or to reject, applications for larger amounts, or to adopt any or all of said methods or such other methods of allotment and classification of allotments as shall be deemed by him to be in the public interest; and his action in any or all of these respects shall be final. Subject to these reservations, cash subscriptions for amounts up to and including \$5,000 will be given preferred allotment; cash subscriptions for amounts over \$5,000 will be allotted on an equal percentage basis, but not less than the maximum preferred allotment; and subscriptions in payment of which Treasury Notes of Series D-1936 are tendered will be allotted in full. Allotment notices will be sent out promptly upon allotment, and the basis of the allotment will be publicly announced.

### IV. Payment

1. Payment at par and accrued interest, if any, for bonds allotted on cash subscriptions must be made or completed on or before September 15, 1936, or on later allotment. In every

case where payment is not so completed, the payment with application up to 10 percent of the amount of the bonds applied for shall, upon declaration made by the Secretary of the Treasury in his discretion, be forfeited to the United States. Any qualified depository will be permitted to make payment by credit for bonds allotted to it for itself and its customers up to any amount for which it shall be qualified in excess of existing deposits, when so notified by the Federal Reserve bank of its district. Treasury Notes of Series D-1936, maturing September 15, 1936, will be accepted at par in payment for any bonds subscribed for and allotted, and such payment should be made when the subscription is tendered.

### V. General Provisions

1. As fiscal agents of the United States, Federal Reserve banks are authorized and requested to receive subscriptions, to make allotments on the basis and up to the amounts indicated by the Secretary of the Treasury to the Federal Reserve banks of the respective districts, to issue allotment notices, to receive payment for bonds allotted, to make delivery of bonds on full-paid subscriptions allotted, and they may issue interim receipts pending delivery of the definitive bonds.

2. The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the offering, which will be communicated promptly to the Federal Reserve banks.

### REGULATIONS GRANTING RIGHTS OF WAY AND SITES TO THE CITY OF LOS ANGELES, CALIFORNIA

AUGUST 3, 1936.

Register, Sacramento, California.

SIR: The act of Congress approved June 23, 1936 (Public No. 769, 74th Congress), reads as follows:

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That there is hereby granted to the city of Los Angeles, a municipal corporation of the State of California, all lands belonging to the United States situated in Mono County, California, which may be necessary, as found by the Secretary of the Interior, for any or all of the following purposes:

Rights-of-way; buildings and structures; construction and maintenance camps; dumping grounds; flowage, diverting, or storage dams; pumping plants; power plants, canals, ditches, pipes, and pipe lines; flumes, tunnels, and conduits for conveying water for domestic, irrigation, power, and other useful purposes; poles, towers, and lines for the conveyance and distribution of electrical energy; poles and lines for telephone and telegraph purposes; roads, trails, bridges, tramways, railroads, and other means of locomotion, transmission, or communication; for obtaining stone, earth, gravel, and other materials of like character; or any other necessary purposes of said city, together with the right to take for its own use, free of cost, from any public lands, within such limits as the Secretary of the Interior may determine, stone, earth, gravel, sand, and other materials of like character necessary or useful in the construction, operation, and maintenance of aqueducts, reservoirs, dams, pumping plants, electric plants, and transmission, telephone, and telegraph lines, roads, trails, bridges, tramways, railroads, and other means of locomotion, transmission, and communication, or any other necessary purposes of the city of Los Angeles.

That there is hereby excepted and reserved unto the United States, from said grant, minerals, other than sand, stone, earth, gravel, and other materials of like character: *Provided, however,* That such minerals so excepted and reserved shall be prospected for, mined, and removed only in accordance with regulations to be prescribed by the Secretary of the Interior.

This grant shall be effective upon (1) the filing by said grantee at any time after the passage of this Act, with the register of the United States local land office in the district where said lands are situated, of a map or maps showing the boundaries, locations, and extent of said lands and of said rights-of-way for the purposes hereinabove set forth; (2) the approval of such map or maps by the Secretary of the Interior, with such reservations or modifications as he may deem appropriate; (3) the payment of \$1.25 per

acre for all Government lands conveyed under this Act other than for the right-of-way for the Mono Basin aqueduct: *Provided*, That said lands for rights-of-way shall be along such location and of such width, not to exceed two hundred and fifty feet, as in the judgment of the Secretary of the Interior may be required for the purposes of this Act: *And provided further*, That said lands for any of said purposes other than rights-of-way for the Mono Basin aqueduct may be of such width or extent as may be determined by the Secretary of the Interior as necessary for such purposes.

Sec. 2. That where any of the lands to which the city of Los Angeles seeks to acquire title under section 1 of this Act, are in a national forest, the said map or maps shall be subject to the approval of the Secretary of Agriculture so far as national-forest lands are affected; and upon such approval and the subsequent approval by the Secretary of the Interior, title to said lands shall vest in the grantee upon the date of such subsequent approval.

Sec. 3. Said grants are to be made subject to rights-of-way, easements, and permits heretofore granted or allowed to any person or corporation in accordance with any Act or Acts of Congress and subject to the rights of all claimants or persons who shall have filed or made valid claims, locations, or entries on or to said lands, or any part thereof prior to the effective date of any conflicting grant hereunder, unless prior to such effective date proper relinquishments or quitclaims have been procured and caused to be filed in the proper land office.

Sec. 4. That, whenever the land granted herein shall cease to be used for the purposes for which it is granted, the estate of the grantee or of its assigns shall terminate and revert in the United States. That any grants made hereunder shall not be assigned to any private individual, association of such individuals, or a private corporation.

Attention is specifically called to the following features of the act: (1) Grants are confined to lands within Mono County; (2) payment of \$1.25 per acre is required for any Government lands granted under the act, excepting lands embraced in applications for right of way for the Mono Basin aqueduct or segments thereof to convey water from the streams supplying Mono Lake to the Owens River; (3) the width of the right of way for the Mono Basin aqueduct is restricted to 250 feet or to a lesser width if, in the opinion of the Secretary, the lesser width will suffice.

Applications filed under this act should be accompanied by a map, in duplicate, on tracing linen showing the proposed right of way or site and should be serialized, noted on the records, and treated in the same manner as applications for rights of way or sites under other acts.

Applications involving lands to be paid for at the rate of \$1.25 per acre should be accompanied by remittances of the proper amounts and maps accompanying such applications must show by appropriate markings the Government lands involved and the acreage of such lands in each subdivision affected by the proposed right of way or site.

Entries or selections for lands traversed by or embraced in rights of way or sites granted under this act, may be allowed subject to the right of way or site, provided the lands are otherwise subject to entry or selection, except that no entry or selection shall be allowed for any smallest legal subdivision which lies entirely within a right of way or site granted under this act.

Very respectfully,

D. K. PARROTT,  
Acting Assistant Commissioner.

Approved, August 3, 1936.

## INTERSTATE COMMERCE COMMISSION.

## NOTICE

## FILING OF CONTRACTS BY CONTRACT CARRIERS

SEPTEMBER 5, 1936.

The Commission has received petitions seeking a modification of its order of July 11, 1936 requiring contract carriers by motor vehicle, to file, on or before October 1, 1936, copies of their contracts in lieu of schedules of minimum charges. It appears that many carriers are claiming to be contract carriers and as such have filed schedules of minimum charges notwithstanding that they undertake and hold themselves out to transport property for the general public and are in reality common carriers required by the Act to file tariffs. It was this situation that the Commission sought to correct by its order of July 11, 1936. It also appears from the petitions that it may not be necessary, in order to correct the situation outlined above, to have the order apply to certain classes or groups of carriers. In order to avoid placing any unnecessary restrictions or burdens upon legitimate contract carriers the Commission has extended the effective date of its order to December 1, 1936, and in the meantime will give consideration to establishing just and reasonable classifications of groups of common and contract carriers as provided in section 204 (c) to the end that it may consider the various groups and determine to which the requirements of its order should apply.
